2017 Deep Run Farms CSA Contract

I _____ (printed name) agree to participate in Deep Run Farms 2017 CSA program. By entering into this agreement I agree to pay the designated amount ($500 for a Full Share | $250 for a Half Share) up front to Deep Run Farms. In return, Deep Run Farms will supply the participant with the designated amount of vegetables once a week for 18 weeks throughout the season. Participants may join at any time during the season at a price of $15 per week for a half share and $30 per week for a full share.

I understand that I am responsible for picking up the vegetables at the farm or at the drop off sites on the day that I have chosen. I also understand that by participating in Deep Run Farms CSA program, I share both the bounty and risks associated with farming, which may include poor harvests due to poor weather or pests. I understand that Deep Run Farms will do their best to provide the vegetable varieties they propose at the times they estimate, however I also understand that nature ultimately decides what I receive and when I will receive it.

Deep Run Farms will provide our CSA participants with the designated amount of vegetables once a week for 18 weeks starting in May. The vegetables provided will only be vegetables that are produced from our farm. Deep Run Farms guarantees that we will only provide fresh vegetables that are of the highest quality possible.

Please note that CSA participants get to choose whatever items they want. Deep Run Farms will set up a bunch of vegetables that will be available that week and they can choose what they want 6-7 items for a half share and 12-14 items for a full share.

CSA members will be supplied with canvas bags (2 per person) at the beginning of the year for the member to use throughout the season.

Please print this agreement, fill out the information below, sign and return with payment to Deep Run Farms. (Deep Run Farms | 3617 St. Paul Rd | Hampstead, MD 21074). Feel free to contact us either by email or by phone (Greg Horner: 443-340-6231).
